

## The 2023 Coles County Property Assessment Year

### **“NOTICE TO TAXPAYERS”**

The Supervisor of Assessments for the County of Coles in the State of Illinois do hereby certify that the following is a complete and accurate list of properties in the townships of: Ashmore, Charleston, East Oakland, Humboldt, Hutton, Lafayette, Mattoon, Morgan, North Okaw, Pleasant Grove, Paradise and Seven Hickory for the 2023 assessment year. These assessments reflect any changes made by the Township Assessor or the Coles County Supervisor of Assessments and the equalization factors applied by the Coles County Supervisor of Assessments for the 2023 assessment year. The median level of assessments is 33 1/3% after equalization.

Your property is to be assessed at the above listed median level of assessment for the assessment district. *Equalization factors have been applied to all residential (non- farm assessments including the farm dwelling and home site), commercial, industrial and excluding property assessed under sections 10-110 through 10-140 and 10-170 through 10-200 of the Property Tax Code (35 ILCS 200/10-110 through 10-140 and 10-170 through 10-200.)*

You may check the accuracy of your assessment by taking the total assessment listed below and dividing by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than your fair cash value of your property, you may be under-assessed. You may appeal your assessment to *The Coles County Board of Review*.

If you believe the fair cash value of your property is incorrect, or if you believe the assessment is not uniform with the assessment of comparable properties in the same neighborhood, you are advised to ask for a review of your assessment. Contact your township assessor's office first to ask for a review of your assessment. If you are not satisfied with the assessor's review, you are advised to file an appeal with The Coles County Board of Review. The Coles County Board of Review complaint forms, rules and procedures can be viewed and obtained at The Coles County Board of Review's Office or The Coles County website: <http://www.colesco.illinois.gov> where you may download and print the official rules and forms. The Supervisor of Assessments and The Coles County Board of Review Offices are located on the first floor of The Coles County Courthouse, 651 Jackson Ave Rm 133, Charleston IL . Office hours for The Board of Review and The Supervisor of Assessments Office is 8:30 A.M. – 4:30 P.M. Monday thru Friday, (contact phone number:217-348-0508) exception to approved holidays for closing. Appeals must be filed on or before **December 18, 2023**, which is 30 days from the date of publication. The Board of Review hearings will be held in accordance with the rules governing such hearings.

Your assessment will have a direct relationship to your 2023 tax bill, which will be payable 2024. All exemptions for which you are eligible will be deducted from your equalized assessed value to arrive at your taxable value. Your taxable value will then be multiplied by the aggregated tax rate of all taxing districts your property is located in to arrive at your total tax amount.

This serves as a public notice to the taxpayers of Coles County IL of the changed assessed values placed upon their real property in 2023. The year 2023 is a Quadrennial Assessment Year for the townships of: Ashmore, East Oakland, Hutton, Morgan, Pleasant Grove and Seven Hickory. All parcels in the quadrennial assessment year must be published. Also, THE PUBLISHED ASSESSED VALUES DO REFLECT FACTORS APPLIED BY THE SUPERVISOR OF ASSESSMENTS TO EQUALIZE BETWEEN THE TOWNSHIPS. All other townships in this publication have only the parcels printed that were changed other than by equalization and 2023 certified farmland values; any change that was made by a township assessor will have the factored value published.

If you had an assessment change due only to equalization other than quadrennial assessment year townships, you will not receive an assessment notice for 2023. To determine your assessed value for 2023, you must multiply the

residential assessed value of your non-farmland, non-mineral and non-farm building shown on your tax bill by the factor listed for your township. The resulting figure will be your 2023 equalized assessed value.

The **mailed notice** reflects the total amount of assessment change broken down by non-farm land/home site, non-farm buildings, farmland, farm buildings and where applicable for each parcel. The **publication** reflects only the total assessed value.

**YOUR OWNER OCCUPIED PROPERTIES MAY BE ELIGIBLE FOR VARIOUS HOMESTEAD EXEMPTIONS AS PROVIDED IN SECTION 35 ILCS 200/15-165 THROUGH SECTION 15-175 AND SECTION 15-180. The complete information on these exemptions is available at The Supervisor of Assessments Office (217) 348-0508 or your township assessor. Also, you may obtain exemption forms and information off the county website: [colesco.illinois.gov](http://colesco.illinois.gov)**

All values set forth here are subject to The Coles County Board of Review and Illinois Department of Revenue equalization as provided for in 35 ILCS 200/16-25 through 16-80 and 35 ILCS 200/17-5.

The Supervisor of Assessments has applied the factors for the 2023 assessment year as listed below. The factors are applied to all residential (non-farm buildings, non-farmland and non-mineral), commercial and industrial assessments as provided for in 35 ILCS 200/9-210 for purposes of equalization. The assessments have increased by the percentage listed in this publication for each individual township.

<b><u>Township</u></b>	<b><u>Factor</u></b>
Ashmore	1.0000
Charleston	1.0168
East Oakland	1.0000
Humboldt	1.0168
Hutton	1.0000
Lafayette	1.0168
Mattoon	1.0168
Morgan	1.0000
North Okaw	1.0168
Paradise	1.0168
Pleasant Grove	1.0000
Seven Hickory	1.0168

In this publication that follows, information is listed in three columns. From left to right, the first column indicates the name, the second column indicates the PIN (permanent index number) and the third column indicates the total assessment
