NOTICE FROM ATTORNEY GENERALS OFFICE.

“We recognize that voters may have questions about voting by mail. The Supreme Court’s recent decision blocking the U.S. Postal Service’s unlawful rule means voting by mail will continue as usual. Voters can now request mail-in ballots until Oct. 29. Mail-in ballots can be returned by mail, by dropping them off in person at a local election authority or, in many jurisdictions, by dropping them in a secure drop box. Please note that ballots returned by mail must be postmarked by midnight on Election Day. However, voters are encouraged to return ballots as early as possible to be sure they are received on time to be counted. We encourage voters to continue to check our website for updates.”
