PUBLIC COMMENTS:

Jim Taber and Larry Apple showed a picture of a monument they would like to put on the Oakland square North-East corner to honor the men & women who served during the Vietnam era. They have 125 names now. Have \$4000 set aside now and will be having some fund raisers in future. They are thinking about 1 ½ yrs to do this. Would like to have the City's help with funding. They are to keep in contact with the council on what they raise going forward.

Greg Weaver spoke that he had sent in a FOIA request and had not received anything back. Chief Brewer was absent, City clerk reported that the FOIA request had something wrong and that he needed to contact Chief Brewer to resolve issue.
