TRAINING

- Chief Brewer attended an 8-hour course entitled Property and Evidence Room Management.
- Chief Brewer attended an 8-hour course entitled Rapid Deployment-Law Enforcement Response to Active Shooter.
- Chief Brewer attended a 40-hour Basic CQB SWAT Operator certification course.

- Chief Brewer attended an 8-hour course entitled Leadership Strategies for the Law Enforcement Professional.

All of the above training meets or exceeds ILETSB training mandates

ISSUES & INFORMATION

- Chief Brewer attended a meeting at the Coles – Moultrie 911 Center in regard to mental health calls for service and associated law and procedure changes.
- Chief Brewer attended an East Central Illinois Mobile Law Enforcement Training Team (MTU-13) advisory board meeting. Chief Brewer was appointed to a subcommittee to discuss and make recommendations to the board regarding the amount of dues to collect from contributing agencies going forward and how the advisory board would be made up going forward.
- Chief Brewer attended a status and operational review meeting regarding our new law enforcement records management software, Tyler Technologies. This system is set to go live in early 2023.

Public Works Report:

- Jim & fire chief Anthony Bennett checked on hydrant repairs/waiting on quote
- White truck-got new alternator and battery, sound like a wheel bearing is going out, will have it checked
- Have been hauling old concrete and dirt from burn pile (with us getting rid of all the old concrete will not need a jackhammer for backhoe
- Looking into getting electric poles to build a lean to at burn pile-can store the sand and cold mix. Losing a lot of sand due to weather, it freezes which makes it harder to run thru the spreader
- Shop on 133 needs attention-new support boards and roof is leaking (we can fix) some sand is stored in there, thru the years the walls are getting pushed out. Would like to insulate tht building and get more use out of it, possibly get an overhead door.
- Tile on south Reel St to east of Mill St is installed, waiting for dirt to settle before planting grass seed
- Would like to see about getting a snow plow for the backhoe. Old plow is heavy, we are using the tandem truck often. Would save that truck for other use., easier to see out of backhoe

Unfinished Business:

None

New Business:

Anthony Bennett reported he has the fire hydrant flow testing schedule for next year. April 2023-Parker St west to city limits,
September 2023-Parker St East to Hazel St
April 2024-Hazel St to City Limits
