Motion: Taylor 2nd- Pearcy **Motion Approved** 6 ayes

PUBLIC COMMENTS:

Brian Warner was representing the East Oakland Township, asking if the city would help pay some of the township's share of the construction of new bridge by Lake Oakland. The township board thinks it should be 50/50 because they are North side and city is on South. The township has spent \$35000 on engineering fees and will be expected to pay approximately another \$65000. They will have to borrow whatever they don't have. This was not an agenda item so the public works committee will have to meet to discuss the matter at a later date.
